The young ladies of the R. E. C. Society gave a beautiful entertainment at College Hall Friday evening last. The play had an unpronounceable name, but was lovely in conception and in execution. Mr. Simmerman is a young business man of fine character and is the friend of everyone here, where he came some years ago to attend Hartford College and since he has spent much of his time here. Hartford regrets that the young people are not to make their home here, as they will be greatly missed by our people most of whom feel it a personal bereavement to have Miss Jessie taken away from us.

Mr. John B. Wilson, of THE HERALD, was married at 10 o'clock last Wednesday to Miss Mabel King, of Centertown, at the home of the bride's brother, Dr. H. L. King, with whom she has lived for several years.

The ceremony was performed by Rev. A. B. Smith in the presence of a large number of friends, and immediately thereafter, the bridal couple left for Louisville, from which place they went to Frankfort, spending some days there with Prof. and Mrs. M. Greenville Revival.

I began a series of meetings with my church here last Saturday evening, assisted by Rev. J. T. Barrow, of Sweetwater, Tenn., and with Ed C. Wright, of Nashville, Tenn., as chorister. The former is a most interesting and popular preacher, while the latter is a splendid musician.
Up to last night, which was the close of the fourth day of the meeting, there had been seventeen additions to the church. Immense congregations are in attendance both day and night, while the religious awakening is very widespread, inasmuch, the indications are very favorable for an extensive revival here.

GREENVILLE, KY., April 5, 1894.

What author has written the most perfect picture of a battle in the English language? Lord Wolsey says that high honor belongs, not to any of his own countrymen, but to the American Captain Charles King, instancing Captain King's description of the cavalry fight of Gettysburg, in "Between the Lines." With equal truth it may be said that no one has written so well about life at West Point as Captain King in the story called "Glad Day," in which that delightful "Corporal Pope" reappears. It has just been announced in book form by HARPER & BROTHERS.

From the following taken from the Madisonville Hustler it will be seen that Ohio county is soon to lose one of her most substantial citizens. Dr. Motherhead has for years been one of the most highly esteemed citizens of the county and will be greatly missed by his friends here. As a gentleman, a physician and a Democrat we commend him to the people among whom he is to make his new home. The Hustler says: Dr. G. M. Motherhead and family, of Ohio county, will soon become citizens of Hopkins county. The Doctor has bought property at the Sulphur Springs, and in a very short time will take possession. He has the reputation of being a splendid physician, while he and his family come highly recommended as first-class citizens. We bespeak for the Doctor a liberal patronage at his new home.

Notice.
On and after this date my post-office address will be Sulphur Springs, Ky. This April 4, 1894. Respectfully,

The young ladies of the old mids' hall spent Saturday and Sunday at Mr. Tom Brown's, of Centertown.

Dr. Alexander made a very instructive talk Monday morning on the subject: "The only power in the world is mind." His talk was interesting to those who heard him, and it seemed to stir up the hearts of his pupils and cast light on this in which position they are placed, and to push forward and climb the ladder of fame in spite of every obstacle. Only the Scars Remain

"Among the many testimonials which I see in regard to certain important remedial cures, enclosing the blood, etc.," writes HENRY HUTTON, of the James Smith & Wenden Machinery Co., Philadelphia, Pa., "none impress me more than my own case. Twenty years ago, at the age of 15 years, I had swellings come on my legs, which broke and became running sores. Our family physician could do me no good, and it was feared that the bones would be affected. At last, my good old mother urged me to try Ayer's Sarsaparilla. I took three bottles, the sores healed, and I have not been troubled since. Only the scars remain, and the memory of the past, to remind me of the good Ayer's Sarsaparilla has done me. I now weigh two hundred and twenty pounds, and am in the best of health. I have been the road for the past twelve years, have noticed Ayer's Sarsaparilla advertised in all parts of the United States, and always take pleasure in telling what good it did for me."

For the cure of all diseases originating in impure blood, the best remedy is AYER'S Sarsaparilla Prepared by Dr. J. C. Ayer & Co., Lowell, Mass. Cures others, will cure you.
